OUR MISSION & VISION

MISSION

We aspire to reassert the significance of high quality education by producing competent professionals who can shape the destiny of our nation into a stronger and developed stature.

We envisage that high quality education using interactive methodologies will equip students to excel as a professional. The values instilled among students while imparting education, will strengthen the moral and ethical fabric of the nation and revive the human spirit. The zeal of competitiveness will always be positive and setbacks will only be catalysts for greater achievements.

With these beliefs, the United Group will strive towards faster evolution, and will make its marks on the global academic map.

VISION

We at United Group of Institutions, aim at creating a workforce of professionals with analytical skills who can dream a better world and transform the dream into reality.

We will create a dynamic and collaborative climate to broaden our students' competence; and build an Institute that is resilient, flexible and productive. We will be recognized for high ethical standards and responsiveness to the social environment.

OUR COMMITMENT

Greetings!

With a promise of commitment to community, last year the spirit not only exhibited its various patterns but also diffracted in different forms throughout the entire United Community. With this experience of pride, I take this opportunity to convey a soft message of practicing 'Divine Learning' this year, which aims to hit the strong target of superficial accomplishment. At the same time, when United has landed a success ground, it becomes very important to celebrate the growth. This doesn't mean we abandon any future growth, but it means taking time to see the whole spectrum of colors that appear with our transformation.

I admire the UGI policy of empowering individuals with the concept of 'Responsibility with Freedom' and a blend of these two has nurtured thought leaders at United for a genuine and divine leadership. Such kind of leadership has made everyone to accept that it is skills that need to be developed and the quest for excellence must be driven by the spirit of ground breaking research to augment entrepreneurship.

United equipped with best faculty, finest infrastructure, TCN-iON Assessment Centre, Innovation Centre, Verbal Ability Program and other Placement Services is now ensuring the best trainings for UGI scholars in order to make them ready to face the challenges of life. I extend my hearty wishes to all young and bright technocrats and managers to explore all the 'Inbox' and 'Out of the box' opportunities; choose and avail yours at United!

Mr. G.G. Gulati,
Chairman

Warm Greetings from UGI!,

I hope that all of you at the giving and receiving ends of education might have taken up the idea of 'Triple Agenda for Educational Growth' that was floated last year by us; first being research and academic growth, second being holistic and symbiotic association between industry and academia and the third being strengthening of mutual trust and learning.

I am extremely happy that this announcement made in the previous academic session has narrated music of success and all the Unitians have become instrumental in giving a rhythm to it. Success could be applauded for super marvelous results and career achievements; let this rhythmic success note enchant this new academic session also.

Although United Group has now pre-set specific objectives and planned activities for the excellence in all spheres of technical, bio-technical and management education, still as per our goal of perfection we continue for more standardization. Perfection never comes to an end and we do not stop till the perfection. Hence, dear friends! The journey must go on! This year we are adopting all the possible tools of Impact Assessment for the standardization of all the new strategies, plans and actions not only at the planning level but also at the level of execution.

I am confident to say that 'Trust Investment' and 'Impact Assessment' together are going to build a new real foundation within the Unitians with their assessed and measured individualities/personalities ready to convert their abstract passion into a real profession. Stay high at UGI!

Dr. J. K. Gulati
President

Welcome to United Group of Institutions!

Growing is the thermometer of our commitment'. Being an integral and coveted part of United family, I am instrumental in measuring the growth and evaluating the success of the group. In this endeavor, I am also committed towards 'Talent Management' through 'Latency Dissolution'. Just by jumbling the letters in 'LATENT', we get the 'TALENT'; likewise any potential latent in any scholar is converted into talent by just reshuffling his/her core competencies and making them aligned and ready to face the challenges of global corporate world. This uniqueness of UGI makes it entirely distinct and prominent from among the other parallel leading organizations.

Education must be given with the aim and purpose of giving back to society. It must focus on building a national character and so we practice continual counseling of the students for their right goals of life, making and ensuring it more a means of value development rather than just for scoring high.

Friends! Thoughts and dreams are like ores. Unless and until the ore is extracted, shaped and purified, it has little value. "You need courage to employ encouraging techniques" It gives me great sense of gratification that we have been able to adopt encouraging techniques of making altogether different personalities via our value added programs prepared and implemented as per need of the hour and industry demands. I encourage all of you to be different. Be different, if it means higher personal and professional standards. Be different, if it means being cleaner, neater and better groomed. Be different, if it means putting more time and effort into all you do.

Stay United and join United!

Mr. Satpal Gulati
Vice Chairman

UNITED GROUP OF INSTITUTIONS

The United Group, founded by late Shri Shiv Ram Das Gulati in 1951 emerged from a transport business to the giants in the fields of education, services, transportation and journalism. The group made a mammoth leap in the education arena in the mid 80s by being the pioneers in computer education.

Now, with 09 well established institutes in Allahabad and Greater Noida, over 11000 students and more than 750 faculty members, the United Group of Institutions is poised to reach the next level providing the best technical education. Our establishment offers NBA accredited courses, Quality recognised by the World Bank and boasts of more than 8500 alumni base. Our placement scenario is booming with over 8000 jobs already offered and state of the art facility provided to faculty and students alike. Fortified with these features, the United Group is primed to continue taking the world of quality education to the highest attainable limits. All the Institutions are affiliated to UPTU, Lucknow and approved by All India Council for Technical Education (AICTE), Ministry of Human Resources Development, Government of India, New Delhi.

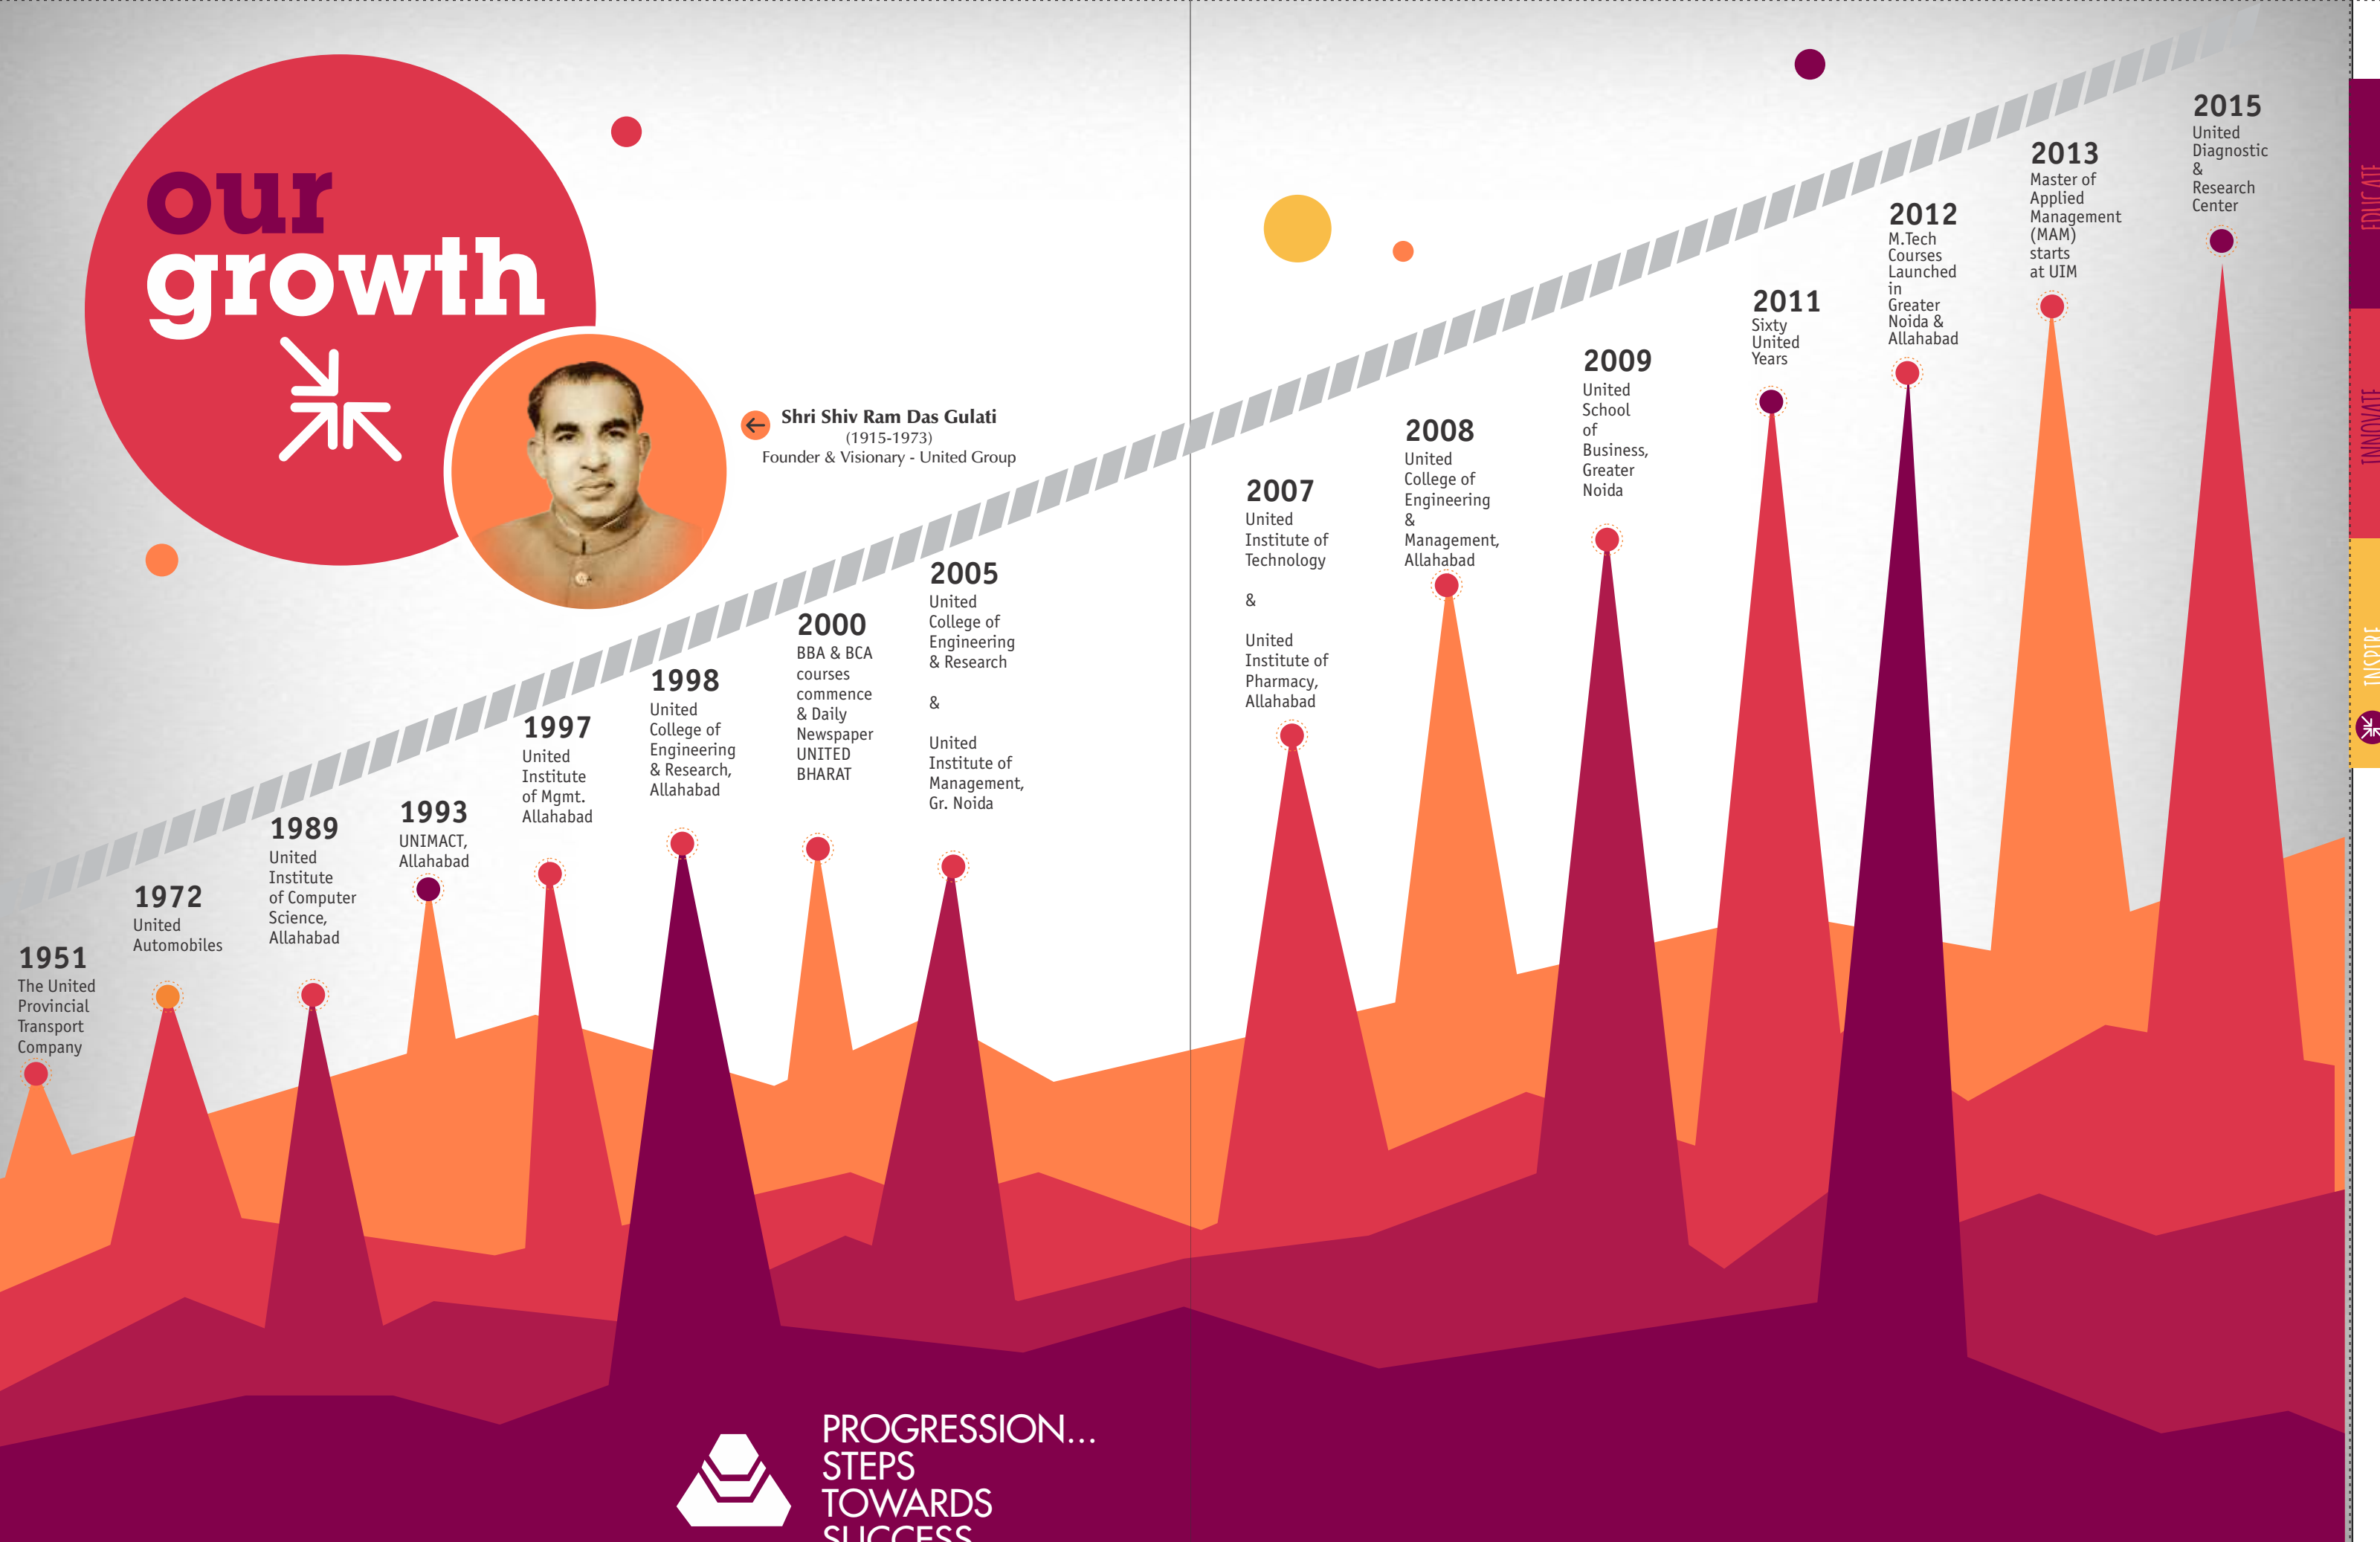

United Institutes works on the motto of holistic education of its students. Hence every measure is taken that their progress does not remain constrained to the classrooms. Ample scope for extracurricular activities along with classroom syllabus keeps the student at par with the best of the institutes. The campuses are located away from the city, landscaped stunningly to create a peace of mind and make the environment academically inductive.

Special care is given to the courses of the student which demand industrial trainings and visit. The Naini industrial area provides the perfect opportunity for the students to gain hands on experience and getting to know the grooves of the industry. The Greater Noida campus has a great advantage of being in the NCR-region which is the home ground of the corporate giants making it simpler for the students to gain a practical work experience along with classroom education. At United we believe in taking the course of progress in the fields of technology and administration to the pinnacle. Hence our motto remains-nurturing the young minds today, who will create history tomorrow.

our growth

ACADEMIC SUPPORT SYSTEM

Academic System is the core, the backbone of an academic institution. It determines the quality of academic delivery. Vision for achieving excellence by providing outstanding education has driven United to adopt an academic system that meets the global standards.

At United, the academic system not only fulfills the needs of multi-skilling and broad based knowledge but also develops core competence in the students. The four basic ingredients of contemporary education system viz., faculty, students, infrastructure and curriculum are perfectly blended to ensure our mission of creating a dynamic and collaborative climate.

**GREAT INSTITUTE

OUR FACULTY... OUR STRENGTH

- United takes legitimate pride in our faculty that is a judicious blend of rich experience and modern knowledge. United provides a platform for those who love teaching and provides a way for them to extend that love into their academic lives.
- At United, faculty members are vision-driven and are inspired with a passion for teaching---a drive that makes them prestigious and outstanding. The faculty members at United function as mentors and facilitators, making learning an interactive experience and hence more enriching.....

OUR LEADERS

Dr. Jagdish Gulati

D.Phil. in Management from Allahabad University A Dynamic Personality who has taken United Group to new heights by blending his academic and managerial skills, Dr. Gulati is the Leader the whole of United Group of Institutions looks upto.

Prof. (Dr.) L. M. Srivastava

M.Sc., D.Phil, Academic Advisor, UGI, Allahabad Having 40 years of experience as educationist, researcher and academic administrator at various National & International Universities, Prof. L. M. Srivastava, completed his education and served at the University of Allahabad, MNNIT Allahabad, IIT Kanpur etc. and at various foreign Universities.

Prof. (Dr.) R.K. Gupta

M.Sc. (Math), Ph.D Asst. Prof. BITS Pilani, Prof. Subaimaniya University Bagdad, Prof. and Head of Department of Applied Sciences & Math. MNNIT Allahabad Committed to Development of United Group of Institutions as a center for quality teaching, learning and research.

Prof. (Dr.) H. P. Shukla

Prof. H. P. Shukla obtained his Bachelor's degree in Electronics & Telecommunication Technology in 1976, Master's degree in Electronics Engineering in 1978 from J. K. Institute of Applied Physics & Technology, University of Allahabad and Ph.D. degree in Electronics from RML Awadh University. As the Principal of UCER, he is committed to serve the entire group for its holistic and visionary growth and development.

Prof. (Dr.) K. K. Malviya

A techno-manager, retired Colonel of Corps of Electrical & Mechanical Engineers, Indian Army, Prof. K. K. Malviya is excellent and holds a vast experience in the fields of Technology and Management. During his varied academic, industrial and administrative experience, he has well proved his Techno-managerial and techno-advisory skills; which now blended with his interests, achievements and contributions acts as a catalyst for the rapid growth of UGI.

Prof. (Dr.) Alok Mukerjee

B.Pharm, M. Pharm, Ph.D. A rare gem in the field of Pharmacy, Prof. Mukerjee has both academic and industrial experience of highest level. He has many published papers to his credit and is member of Board of Study, VBS Purvanchal University, University Evaluation Committee, UP Tech University Lucknow. Member examination committee of BHU, UPTU, & CSJM University.

Prof. K. S. Dubey

Prof. K. S. Dubey, Ph.D., BHU, Varanasi, with more than 36 years experience of teaching in IT-BHU as well as foreign University and more than 42 years of research experience, visited Cambridge and other Universities in U.K. under INSA Royal Society program and now, at United, he is focussing on educational leadership that is required to meet the performance measures lying in consonance with the vision and mission of UGI.

Prof. B. N. Jha

Prof. B. N. Jha, holds wide teaching experience in the Department of Industrial Engineering, Bihar Government, Production Engineering Department, BIT, Mesra & Allahabad Campuses and also as Professor at Emeritus – Dwarahat, Almorah District, Uttarakhand. While working at United, he believes that the flow & dynamism of proper knowledge & proper education has to be in pace with the times, environment and inherent individual talents.

Prof. B. K. Pandey

Prof. Bharat Kumar Pandey, H.O.D., Mechanical Engineering Department, UIT, Allahabad, has done B.Tech. and M.Tech. from IIT Kanpur. Having specialized in JIT, KAN-BAN and KIA-ZEN implementations, he holds 32 years of Automobile industrial experience and 4 years of teaching experience in Engineering Institutes. He supports the implementation and improvements in our committed teaching supported by rigorous practical training in Labs and Workshops.

Prof. (Dr.) Nandita Pradhan

With B.E., (ECE), M.E. (ECE) and Ph.D. (Electronics Engineering), Prof. (Dr.) Nandita Pradhan has a very rich academic experience of more than 22 years from Government and Private Engineering colleges. She is firm believer of providing "High Powered and Impact Oriented" Technical Education to her disciples with main focus on quality improvement of Teaching Learning process. She has published many papers in various reputed journals and conferences. She has reviewed books of Tata McGraw Hill publication and also member of expert panels and review team for international journals/conference papers. She has professional membership of IEEE, ISTE and IETE.

INSTRUCTIONAL METHODOLOGY

The faculty at United use innovative teaching methods in synergy with research knowledge and corporate experience to make the strategy and experience thought provoking and global in its perspective. A variety of strategies and methods are used which cater to multiple learning styles to help students retain information and strengthen understanding and to ensure that all students have equal opportunities to learn.

The education system and teaching methodology is uniquely designed to articulate various facets of the identified Key Result Areas (KRAs), on the pattern of continuous evaluation and monitoring system with credits allotted for each sessional examination and quizzes. This system boosts hard work, creativity, knowledge and discipline not only in students but also in faculty ensuring an enviable state of alertness and confidence.

ACCOMMODATED IN
SIX HOSTELS

2,40,000
BOOKS, MAGAZINES &
JOURNALS

United's Awe-inspiring infra-structure provides the students with an excellent environment to pursue their academic passion and for outstanding academic delivery. The campuses span more than 200 acres comprising lush green lawns dotted with hi-tech laboratories and modern buildings. The campus offers a fusion of environment, resources and support to maximize the quality of the student experience. Life at United is an amazing experience on the beautiful campus, which is an example of architectural innovation and functional convenience. The Wi-Fi enabled campus provides essential energy for a dynamic academic community. The campus has an entity and a significance that goes beyond the books and classrooms.

Learning Infra

The spacious lecture halls, e-class rooms, Conference Halls, Induction Halls, Auditorium, Meeting rooms are well equipped with all latest gazettes, viz., ceiling mounted LCD Projectors, OHPs, Slide Projectors and other Audio-visual equipments providing environment conducive for teaching and learning.

Computing Infra

The institutions also feature the finest computing facilities with computer labs having state-of-the-art technological equipments, hardware, software and internet facilities. The institutes have 24 hours hi-speed connectivity of internet through leased line. Moreover, the Institutes utilize college excel software in order to regularly update students' attendance record, performance report and to facilitate regular connection with their parents / guardians via intranet. The Infrastructure enables the students to work on the latest software packages and programmes. United is a member of MSDN academic alliance through which it gets around 100 system and application software of Microsoft every year.

explore

LABS & WORKSHOPS

In addition, the first year students also attain extensive research and experimentation facilities in the sophisticated Chemistry and Physics Labs. These labs contain the latest equipments for the prescribed experiments making it easier for the students to carry out their research work.

The workshops have been equipped with hi-tech machine tools and related equipments including Carpentry shop, Foundry & Forge shop, Fitting shop, Machine shop, Sheet metal shop, Smithy shop and Welding shop.

The advance machining center houses precision lathes, honing, milling, drilling, shapers, slothers, surface grinders, etc. Foundry and forge are capable to provide castings. Welding workshop has the facility of oxygen acetylene, welding, electric arch welding, resistance welding, TIG welding and MIG welding. Various cutting devices including gas cutting are available in Sheet Metal Workshop. The Fitting, Pattern, Carpentry and Smithy are the feeders to the workshops.

Neighboring industries like AREVA, RECRON, ITI Ltd. effectively utilize the calibration, testing and manufacturing facility of the workshops. Students use workshops extensively for developing prototype working models. United takes pride in its advanced and state-of-the-art laboratories which assist the students to supplement theoretical knowledge with practical skills. All the laboratories are equipped with sophisticated and advanced technology which helps students to attain clarity of the concepts through practical. Like the workshops, the laboratories too, offer extensive test and measurement services and product development assistance to industry.

SEMINARS/ CONFERENCES/ WORKSHOPS

At United, emphasis is repetitively given to diverse methodologies of imparting knowledge, making it more interesting and affable to students. An exposure to interactive sessions and seminars conducted by the stalwarts of the industries and scholastic arena is always a bonus to the holistic maturity of a student. This way, it is determined that the knowledge of the lessons bestowed n the students and the functioning of the industries do not remain mutually exclusive to each other. Seminars, Conferences and workshops are organized where scholars and researchers from various reputed international universities share their views. Some of the recently organized events are:

- National Seminar of Lead Development & Drug Designing - Emerging Opportunities organized by United Institute of Pharmacy (26th September 2014)
- National Conference on Entrepreneurship Development: Emerging Challenges in Global Economy organized by UIM, Greater Noida (Jan 2015)
- National Seminar on Innovative Trends in Modern Business Management – Organized by UIM, Allahabad (Apr 2014)
- Seminar on Career Building Organized in Collaboration with Asian Institute of Technology at Greater Noida campus
- Series of Guest Lectures and Workshops conducted during National Pharmacy Week in September 2014
- 5 Day workshop on Automobile and Vehicle Dynamics held at Greater nOida campus in May 2014
- Workshop on Woman Power line, UP by Shri Navneet Siquera, Inspector General of Police
- Six days workshop on "Design of Automobile and Vehicles, Reverse Engineering and 3D printing, scanning & Modeling" was organized at UCER, Allahabad during 12th -19th February 2015.
- Two days workshop on "WEB-ENTREPRENEURSHIP" was organized at UCER, Allahabad on 14th -15th March 2015.
- United group hosted the first meeting of UPTU for syllabus upgradation and employability and skill improvement at Greater Noida campus. It was chaired by Vice Chancellor, UPTU and attended by Chairpersons of most prominent institutes of the state

Core Facilities

- Hygienic & Healthy food at nominal charges offered at spacious & hygienic dining halls.
- 24x7 Water Supply
- 24x7 power supply with generator backup to avoid disturbances in case of contingencies.

Other Amenities

- Separate TV rooms and common rooms for indoor games.
- Connectivity - Telephone facilities, Wi-Fi ensuring 24x7 internet facilities.
- Medical facilities-First aid facilities, Doctor's room, availability of ambulances round the clock.
- Fitness Centers - Gymnasium

Transportation Facilities

More than 39 buses operate everyday for the students and staff. The day scholars living in areas away from the campus are pick-up and dropped from their residences in this safe and secure mode of transport.

Banks

All campuses have ATM machines installed for students and teachers to carry out transactions.

WIFI

WIFI not only gives our students access to high speed internet but also many value added services which are utilized for their course work. This provides students with a seamless connection for browsing presentations and documents throughout the campus.

Gymnasium

Well equipped gymnasiums have been appended to all our hostels in the campus. The gymnasium has state of art equipments for the overall development of students.

Food Courts

This is one area of the campus which never seems to be deserted. A popular hang out for the students, the food court offers a wide choice of items to cater to the student's tastes. A high standard of hygiene is maintained, ensuring the satisfaction and contentment of students.

Sports and Recreation Activities

A massive sports arena is built within the united campus. Spacious and sophisticated courts have been designed keeping in mind the benefits students can obtain from sporting activities. There are ample basketball, tennis, badminton, and volleyball courts to suit the precise.

HOSTELS

We at United understand you & constantly strive to ensure the comfort of home at our place. We offer separate accommodations for boys & girls amidst an environment that simulates learning and provides ample scope for recreation. The boys' & girls' hostel have a housing capacity of around **3000 students living amicably** under the supervision & care of wardens & an efficient team of care takers.

MESS

Every hostel has been provided with its own **Air-Conditioned Mess** and Special attention is given to prepare and serve the food in a hygienic environment.

beyond
syllabus

Academics form just one facet of the life at United. We encourage the students to nurture their lives outside classrooms as well. A significant part of the student's year encompasses coordinating and participating in the abundant cultural activities. We believe that being involved in organising such events imbues a healthy will of competition and cultivates team spirit. Events ranging from quizzes, debates, dance, writing, drama, music and literary activities hone an individual and ample platform is provided to showcase their flair. Our foresight is that 'the ultimate persona of a student which emerges out of our college should have equal potency in all the fortes.'

Founder's Day

Every year the United Group of Institutions celebrates its 'Founder's Day' to pay a tribute and homage to and to commemorate the achievements of its Founder, Late Shri Shiv Ram Das Gulati. World-acclaimed and renowned personalities from different sectors are invited to cherish the moments of celebration. Well known celebrities like Mr. Shiv Khara, Mr. Chetan Bhagat, Dr. Palash Sen (EUPHORIA), Ms. Shalmali Kholgade (Film Fare Wining Playback Singer), Indian Ocean and many more have graced our campus in this occasion over the years. Founder's Day celebration provides a big boost to the teachers, meritorious scholars and prominent citizens of the entire region by honoring them in 'Samman Samaroh'.

ZEST

Zest, an Invigorate Initiative by United Group of Institutions, is a very popular inter school competition organized by United where students from 15-20 top schools of the state participate in three different events – Vartalap(Group Discussion), Prastuti (Ppt. Presentation) and Grill (Quiz).

Firstly, winners in each event from every participating school are identified through the preliminary rounds and then an inter school grand finale takes place. Over the last four years, Zest has gained tremendous popularity amongst the class 11th and 12th students of various schools in eastern UP.

EDU-SHINE

'Edu-Shine' is an annual tradition of UGI aiming towards honoring Academic Excellence. Every year UGI recognizes and felicitates great teachers, researchers and scholars in higher education; acknowledging their contribution to academic progress of the region. This honor at 'Edu-Shine' refers to the virtue, a keen sense of ethical conduct and integrity and is given for a special merit or achievement, glory or recognition to all the nominated academia, researchers, scientists and industrialists from IIIT, MNNIT, Universities, Degree Colleges, National Academy of Sciences India (NASI), Harish Chandra Research Institute, SHIATS (Previously Allahabad Agricultural Institute) and other educational and counseling centers of the region. A big salute is given to those who are engaged in using higher education as a powerful tool for creation of a knowledge-based information society that will take India into a bright new future. Year 2014 observed a big success of Edu-Shine wherein Hon'ble Minister of Technical Education, Uttar Pradesh, Sri Shiva Kant Ojha was the chief Guest and the function was presided by the Hon'ble Vice Chancellor, UPTU.

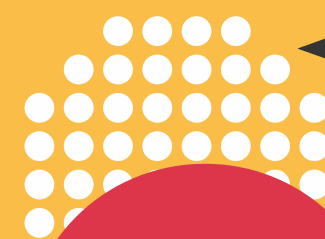

TECHFESTs

To exhibit the technical aptitude of our budding engineers, an informative exposition is organized every year. It started with UNITECHFEST; an annual festival extravaganza organized at UNITED. In the subsequent years of roaring success of such FESTS, ENIGMA takes the cue which is not just a technical event but a platform bringing together ingenious minds that can showcase their exuberant talents. The entire campus is transformed into a vibrant carnival. It is being organized with an aim to rejuvenate the mind of the students and giving them the well deserved break. Students demonstrate their creations in the form of models, designs and experiments. Valuable feedbacks are obtained from the academicians who grace the occasion. This facilitates them to delve into the concepts and theories even further thus grasping the in-depth details about the dynamics of their projects.

Clubs & Societies

United offers plenty of club and societies to polish the specific skills and the interest of the students. The student association at United offers various such clubs like 'ELECTRUM' which is the Electrical and Electronics society, the CS & IT society, Mechanical society, HR club and the Finance club. Non academic oriented clubs like SPIC-MACAY and Fine Arts society is also on the verge of introduction.

UNITED

THE ALUMNI ASSOCIATION OF
UNITED GROUP OF INSTITUTIONS

**OUR ALUMNI
OUR PRIDE**

Alumni Association Chapters@UGI

United Group of Institutions in its endeavour to strengthen the link with the alumni has set an Alumni Association with its chapters across the country with more than 8500 alumni. United feels proud and enlightened to announce the functionality of CRC linked -Alumni Office at each institute of the group which extends several facilities and services to the alumni to continue and enhance their pleasant association with the institute and outside world.

The objectives of the Alumni Association are broadly divided into 9 strategic goals: Awareness; Value; Engagement; Support Structure; Growth; Community Service; Professional Development; Advancement and Giving Back to Alma Mater. United adopts a standard to visualize these strategic goals by harnessing the continued interactions, reunion programmes, networking opportunities, communications, cultural/ academic/professional events and functions. These standards are maintained through alumni chapters and clubs which continually facilitate and arrange meetings on regular basis and the impact has been enormous, overwhelming and mutually enriching. These ties between institution and alumni have been strengthened through constitution of the following chapters till date:

- PUNE • BANGALORE • DELHI NCR CHAPTER
- HYDERABAD, CHENNAI, MUMBAI and ALLAHABAD CHAPTERS will be formed soon

The mission of Alumni Relations is to maintain a lifelong relationship with alumni through opportunities and benefits that promote interaction & engagement and henceforth facilitate their contribution to the advancement and success of the Institution. United envisages to promote such continued interactions of Alumni with the institution in the interest of sustaining the institution's ability to develop and maintain a commitment to excellence and deliver on the core business of self- and organizational development.

BENEFITS TO ALUMNI

- **CAREER** support through jobs, mentorship, and further study
- **CONNECT** with events, through social media, and email-for-life
- **COMMUNICATION** Strengthening of network
- **COORDINATION** Help on College related issues (Degrees, Transcripts Caution Money etc.) through Alumni Coordinators

PERSONALITY DEVELOPMENT PROGRAMMES

The chief ingredient of a successful career is often more than mere academic qualification. United supports the development of communication and interpersonal interactive skills for the overall personality development of students, and hence, offers and organizes programs including group discussions, aptitude tests, technical presentations, PDPs and Career Launcher's sponsored projects, which benefit the students with qualities like commitment, hard work, ability to communicate, sincerity and team spirit.

The classes in personal communication are not only verbal but also non-verbal like mannerism, style, dressing-up, social movements, voice modulation etc. In addition, mock technical and HR interviews are conducted to keep the students at their superlative form during their placement procedures and subsequent careers.

placement @ UNITED

Unitian's endeavor for perfection does not end at the completion of course. It is ensured that every student is well settled once he/she is out of the institute. Hence training & placement process is given paramount importance in UGI as Corporate Relation Center of UGI believes and projects that beyond the scholastic achievement, other auxiliary factors such as communication skill, diction, vocabulary and aptitude are the ingredients for successful placements. Therefore, to groom our students, we facilitate them with:

- Personality Development & Verbal Ability Classes
- Mock Interview
- Group Discussions with Both General and Technical Topics
- Aptitude Test Preparations
- Special Monitoring for the Summer Training Programs
- Industrial Tours in Order to Understand The Real Requirements of the Industry

Projects & Industry Visits

United focuses on pro-active and experiential learning, and not academic collaborations alone. For this purpose, it initiates and nurtures multifarious projects across the globe. United Institutions frequently take sponsored research projects from premier organizations. Some of these prestigious ventures were sponsored by companies like HCL Infosystems, Mahindra & Mahindra, Veekay Connectors, Allahabad Dairy and Reliance Infocomm.

United ongoing Projects:

- Department of Computer Science is conducting a Database Management System project for Central Inland Fisheries Department, Allahabad
- Department of Mechanical Engineering is conducting regular testing of transformer parts for AREVA Ltd. Department of Mechanical Engineering is developing a Software Project on Impellor Design for BPCL, Naini, Allahabad
- Apart from academic projects, the students also participate in prestigious social project at United. The purpose is to inculcate a sense of responsibility among them towards the society and make them not only good professionals but also better human beings
- Industry visit is also an integral part of the academic system. Industry visit, at United, provides the students with practical experience that compliments their theoretical knowledge.

Prominent Industrial Visits

UGI students from Allahabad and Greater Noida Campuses visited many Industries in and outside their Districts including

- NARORA Nuclear Power Plant
- CAPARO INDIA
- ARBRO Labs & TOSC international Pvt. Ltd
- NTPC
- PARLE- G
- JAL SANSTHAN
- IFFCO
- INFOSYS
- RECRON
- BPC
- NTPC
- MOSERBAER
- Survey camp @ Haridwar
- Scooters India Ltd etc
- National Power
- Training Institute-Badarpur
- Maruti Suzuki-Gurgaon
- UPRVUNL
- Anpara
- Lohia Starlinger-Kanpur etc.

- Specialized Training programmes on tools like Pro E, Autodesk Inventor, Civil 3D, Android, J2EE struts, Network Management, PLC SCADA, SPSS etc were conducted in campus through the year
- Employability Skill Enhancement Programme, with Major Focus on development of Verbal Ability and Soft Skills was launched in March 2014.
- Workshop on Employability and Opportunities in IT sector by Mr Rajit Sikka, H, Academic Alliance, North, TCS conducted in August 2014 and February 2015.
- Session by Mr. Arun Mehrotra, Senior Vice President, Mahindra and Mahindra in March 2014 on Opportunities in Automobile Sector

EMPLOYABILITY SKILL ENHANCEMENT PROGRAM (ESEP) @ UGI

UGI emphasizes upon the need of a set of 'transferable skills' – skills that are not specific to one particular career path but are generic across all employment sectors. ESEP at UGI adopts and looks upon a candidate for its dual development & training: 'Hard Skill Training' for a student to be able to manage the job role and 'Soft Skill Training' for a student to have a well-honed set of 'soft skills', towards which the employers are more inclined to hire.

Skill Enhancement & Employability Program implements a spiral model in a two phase process:

PLACEMENT TRAINING PHASE-I: Verbal Ability Program (VAP)

VAP which is in fact, the first phase of Placement Training at UGI, starts from 2nd year itself targeting upon the missing requirements which limit students' chances of landing a job:

- Attitude (Sincerity, Ownership and Motivation)
- Verbal & Communication Skills (Ability to communicate, present and express)
- Grooming and Self-Confidence (Personality traits)
- Analytical Skills (Logical and Critical Reasoning)
- Basic Managerial Skills (Leadership, Team work and Time Management)

PLACEMENT TRAINING PHASE-II:

The Phase II of the training, which starts in 3rd year for B. Tech students and 2nd Year for MBA students, is more specific to the placement opportunities the student is going to be exposed to. The Major areas of focus in phase II of training are:

- Company Specific topic wise training
- Online Mock Tests
- Training on GD & Interview Skills
- General Awareness Training

GATEWAY to GATE @ UGI

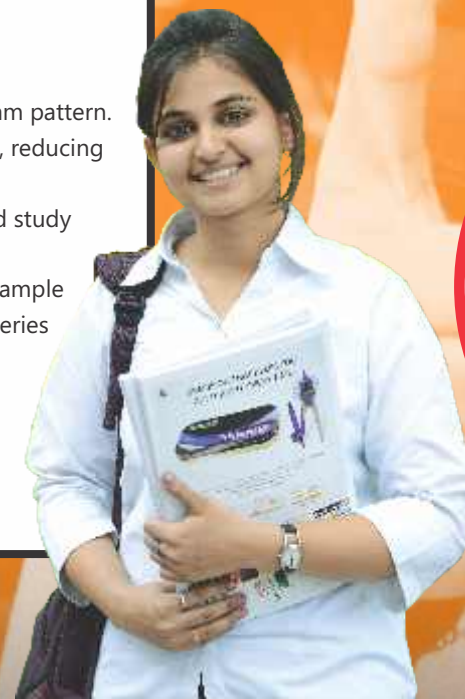

GATEWAY 2GATE is United's revolutionary trend of providing an opportunity to crack GATE(Graduate Aptitude Test in Engineering), which is one of the biggest and the most prestigious exam for engineering graduates This model distributes all the subjects into 3 phase modules from V Sem to VII Semester of B. tech:

GATE MENTORING STREAMS:

- Computer Science & Engineering (CS) and Information Technology (IT)
- Electronics & Communication Engineering (ECE)
- Electrical Engineering (EE) and Electrical & Electronics Engineering (EN)
- Mechanical Engineering (ME)
- Civil Engineering (CE)

SPECIAL FEATURES OF GATEWAY2GATE:

- Making the students aware about the GATE syllabus and exam pattern.
- Uniform distribution of subjects/topics across the semesters, reducing the burden at the time of examination.
- Making the students available the GATE reference books and study materials.
- Making the students practice and solve previous year' and sample question papers and exposing them to online practice test series

Innovation Center
UCER, Gr. Noida

Innovation Center
UCER, Allahabad

Innovation Center
UCER, Allahabad

INNOVATION CENTERS at UGI

Innovation Centers at UGI are newly established units aiming towards nurturing the innovative ideas of scientifically and technologically-driven young minds and encourages UGI scholars for research project/proposal submissions. The prime objective of these Innovation Centers is to explore and enhance the creativity and innovation skills of UGI scholars and to pursue research that not only advances science and technology but also has a societal impact.

Students with innovative ideas can approach the innovation centre for guidance and financial support. The Center is equipped with state of the art facilities for research and development. Other facilities required for projects like Internet, Printers, Software, Circuit Components, Fabrication support etc are also provided at the center. Application forms may be obtained from the innovation centre. Interested students may submit their applications along with the detailed proposal in the prescribed format and may get the funding from the institute after the project is approved as per the norms and criteria of the Innovation Center. At its seedling stage, the center has received enormous quality projects beyond its expectation.

GLOBAL EXPOSURE

GLOBAL EXPOSURE
FOR A GLOBAL FUTURE

UNITED
Collaboration With

Asian Institute of Technology,
Thailand

Missouri University,
Columbia, USA

United Group of Institutions has academic collaborations with the International Universities/ Institutions, which has provided an umbrella for internationality, innovation, integration, information, technology and industrial partnership to all the bright souls of the group.

Signing up of MoU (Memorandum of Understanding) with Asian Institute of Technology (AIT), Bangkok, Thailand, being the first initiative in this endeavor has opened the doors for Global exposure and Global future of Unitians. More than 350 students have already participated in 'Summer Education Workshop' at AIT and entering into its 5th plan is ready to send good number of identified, talented and technology-driven future leaders from across the UGI in the year 2015. AIT collaboration provides an exchange platform for the students, faculty members with joint research projects, joint cultural programs/projects and joint conferences.

As a next step in this direction, MoU with the Missouri University, Columbia, USA, provides with a framework for a partnership agreement ensuring close cooperation and coordination of efforts concerning training, exchange of experts and scholars, participation in joint conferences etc.

At University of Missouri, 15 Unitians participated in an exclusive 3 week summer program, which provided them exposure to the best of the facilities Missouri University had to offer.

SCHOLARSHIPS

SHIV JYOTI SCHOLARSHIP

To motivate talent, this scholarship ranging from Rs. 5,000 to Rs.50,000 will be awarded to all B.Tech aspirants with UPSEE General Rank between 1 and 10,000 (in UPSEE 2015) who join any of the UGI Institutes in 2015-2016 session.

Details of Scholarship are as follows:

(For admissions through UPSEE 2015 Counseling)

UPSEE General Rank Scholarship Amount

From 1 to 2500	Rs. 50,000/-
From 2501 to 5000	Rs. 25,000/-
From 5001 to 7500	Rs. 10,000/-
From 7501 to 10000	Rs. 5,000/-

MBA MERIT SCHOLARSHIP

Candidates who have performed well in UPSEE 2015/CMAT/ CAT/MAT or have more than 60% marks in graduation and if they opt for MBA course at United in 2015-16 session, they would be awarded scholarship of upto Rs. 50,000 per annum.

Details of Scholarship are as follows:

S1 :- Graduation Marks

% in Graduation	Scholarship Amount
60% & above	Rs. 20000/-

S2 :- UPSEE 2015 (General Open Rank)

Rank Range	Scholarship Amount
1 – 500	Rs. 50000
501 – 2000	Rs. 30000
2001 – 6000	Rs. 25000
6001 – 10000	Rs. 20000

S3 :- CMAT 2015 (General Open Rank)

Rank Range	Scholarship Amount
1 – 5000	Rs. 50000
5001 – 10000	Rs. 30000
10001 – 20000	Rs. 25000
20000 – 40000	Rs. 20000

S4 :- MAT 2014-15

(Only Valid Score Accepted)

Percentile	Scholarship Amount
95% – 100 %	Rs. 50000
90% – 95%	Rs. 30000
80% – 90%	Rs. 25000
70% – 80%	Rs. 20000

S5 :- CAT 2014

(Only Valid Score Accepted)

Percentile	Scholarship Amount
90% – 100%	Rs. 50000
80% – 90%	Rs. 30000
70% – 80%	Rs. 25000
60% – 70%	Rs. 20000

B.PHARM MERIT SCHOLARSHIP

Candidates who have performed well in UPSEE 2015 (Pharmacy) or having 60% or above in Intermediate and who opt for B.Pharm course at United Institute of Pharmacy, Allahabad in 2015-2016 session would be awarded scholarship of up to Rs. 25,000 per annum.

S1:-10+2 Percentage

Percentage in 10+2	Scholarship amount
80% and above	Rs. 25,000
70% - 80%	Rs. 20,000
60% - 70%	Rs. 15,000

S2 :- UPSEE 2015 (General Open Rank B.Pharm)

General Rank in UPSEE 2015	Scholarship amount
1 - 1000	Rs. 25,000
1001 - 4000	Rs. 20,000
4001 - 7000	Rs. 15,000

BBA/BCA MERIT SCHOLARSHIP

Candidates who have more than 60% marks at 10+2 level(intermediate) and if they opt for BBA or BCA course at United in 2015-16 session, they would be awarded scholarship of upto Rs. 25,000 per annum.

Details of Scholarship are as follows:

Aggregate Marks in 10+2	Scholarship Amount
80% above	Rs. 25,000.00 per year
70% to 79.9%	Rs. 15,000.00 per year
60% to 69.9%	Rs. 10,000.00 per year

MERIT SCHOLARSHIP FOR GIRLS

This one time scholarship will be awarded to girl students from select schools of Uttar Pradesh based on their performance in 10+2 board examinations. The students will be nominated by the Principal of the school. This is only for girl students who get admission at United in 2015-16 session.

Details of Scholarship are as follows:

Aggregate Marks in 10+2 (Physics, Chemistry & Maths)

Scholarship	Amount
80% to 89.9%	Rs. 15,000.00 per year
90% and above	Rs. 25,000.00 per year
